# Messages from your Principal & your PTA President

Dear Tiffany Families,

My name is Crystal Sutton and I am honored to serve this community as principal! I look forward to continuing to building upon the relationships we have

established together and welcoming our new families this upcoming year!

Just a little about me – I am a native, born and raised here in Chula Vista. I attended Tiffany Elementary School as a Kindergartener! The next year, I moved to Chula Vista Hills when it first opened and stayed through sixth grade. I graduated from Bonita Vista High School, then headed off to college at San Diego State University.

My education includes a BA in Liberal Studies from San Diego State, Masters in Education from National University and a Doctorate in Educational Leadership from San Diego State University.

I taught at Chula Vista Hills Elementary School for 13 years, mostly in fourth, fifth and sixth grade. In 2018, I left the classroom to serve an associate principal here in CVESD – McMillin (2018-2020) and Muraoka (2020-2021).

Chula Vista is still home for our family. My husband, Eric, and I have two girls – Audrey (16) and Avery (12). They keep us very busy, but we wouldn't have it any other way.

Communication is very important to me, and I encourage you to reach out if you ever have questions or concerns. My email address is [crystal.sutton@cvesd.org](mailto:crystal.sutton@cvesd.org) or you can call the school at 619-421-6300.

I look forward to another amazing year at Tiffany – we've got this, TIGERS!

With Gratitude,

Crystal M. Sutton, Ed.D.  
Principal  
Dear Tiffany Families,

Welcome to the 2023-2024 academic year!

My name is Audriane Flamand, but you can call me Ane (On-ā). I have the honor and privilege of serving as your Parent-Teacher Association (PTA) President for the second year in a row, 2023/24 school year.

My teenager is currently attending Eastlake High School, but you'll probably see my two little tigers running around the campus!

Alongside and with the help of a number of amazing parents and staff members, I'm confident that the 2023/24 PTA is going to deliver a spectacular school year!!

Please consider joining the PTA this year and volunteering for what we hope will be an event-filled year!! The PTA would be nothing without our amazing Tiffany parents and staff. And don't be shy!! Come up and say "hi" anytime!!

See you around the campus!

Audriane Flamand

## **Tiffany School Rules & Information**

### **TIFFANY LEARNING ENVIRONMENT**

It is the goal of Tiffany Elementary School to create an environment that provides all students the opportunity to achieve their fullest personal and academic potential to become productive and responsible citizens. Every individual, regardless of gender, nationality, race or ethnicity, religion, or sexual orientation, will have the opportunity to achieve their potential in a safe and caring environment.

We have four overarching expectations that help to create a positive learning environment. We ROAR with PRIDE when we are

- |                     |                      |
|---------------------|----------------------|
| ➤ <b>Safe</b>       | ➤ <b>Responsible</b> |
| ➤ <b>Respectful</b> | ➤ <b>Kind</b>        |

Please note that no toys or personal sports equipment may be brought to school at any time.

Cell phones need to be turned off and stored in backpacks during the school day. Smartwatches should be set to “Schooltime” or messaging and notification settings should be disabled during school hours. If used during school time becomes a concern, the student will be asked to keep the watch at home.

### **DISCIPLINE**

The following behaviors are unacceptable and harm the safe school environment:

- Bullying
- Harassment
- Hitting, pushing, grabbing, etc.
- Wearing clothing that is offensive to others
- Threatening or inciting others to do harm

- Refusing to obey clear reasonable directions from teacher/school personnel
- Using disrespectful speech/gestures toward students and/or school personnel
- Cheating

Please contact your child's teacher FIRST if you are aware of bullying. Individual cases may involve the principal.

At Tiffany, we use Restorative Practices when issues arise that harm our learning community. By using Restorative Practices, we help students see that rules are in place to keep everybody safe and relationships strong. If a rule is broken, it is viewed as a relationship that has been damaged and needs repair. We believe that punishment does not address the root causes or restore trusting relationships between those involved. At Tiffany, we take the time to collaborate with students to determine who was affected, how they were affected, and what needs to be done to restore the positive learning environment and move forward. Typically, we will ask students the following questions, so students reflect on the harm they may have caused and to begin to restore trust:

- What happened?
- What were you thinking at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you need to do to make things right?

While there are consequences for students breaking rules, consequences focus on restoring trust and making things right. We are committed to making sure that every student feels safe at school and knows that restorative practices are the best way to fulfill this commitment.

## **STUDENT DRESS**

It is expected that parents will use good judgment regarding proper school dress. It is important that students dress so that they are comfortable at school. In winter/cooler weather, students should come to school dressed to go outside each day.

Students are not permitted to wear shirts with offensive language or pictures on them, nor those that promote violence and/or alcohol or other drugs. Wearing inappropriate or offensive clothing will result in students being required to change. Shoes must be for play on the blacktop or field. No "flip-flop" shoes or open-toed sandals are allowed for safety.

Please be aware of what your child is wearing before he or she leaves for school. Working together, we can create a productive and comfortable learning experience for our children.

**NOTE: All volunteers must also follow the dress code policy.**

## **PETS**

For the safety of everyone, animals are **not allowed** on campus unless approved by administration. This includes bringing dogs or other animals on the campus when dropping off or picking up your child. On campus means from the street sidewalk to street sidewalk. Certified service animals are permitted only if **the animal is in service** to the person that is handling them. Please provide documentation to the front office. Unfortunately, emotional support animals are not.

## **VISITORS/VOLUNTEERS**

Parents are an integral part of the enriched classroom experience. Volunteer support of teacher-planned activities is encouraged and welcomed. Anyone who volunteers on a regular basis (3 or more days a week) **MUST** have a current tuberculin (TB) test on file in the school office and be fingerprinted.

For the safety of our children, **all visitors and volunteers must check in at the office and wear a Visitor/Volunteer name tag while on campus.** Please note that younger siblings are not allowed to be with parent volunteers while working in the classroom. When volunteering, please know that you are considered to be under the supervision of District employees and are volunteering time and or resources for the

improvement of school facilities and or school programs. This is including, but not limited to, providing assistance in the classroom with the approval and under the supervision of the teacher.

Visitors who would like to observe classrooms at Tiffany are welcome. We require that arrangements are **made at least 48 hours** in advance and that observations do not last longer than 30 minutes per day. Except for special circumstances, we do not allow more than two observations per week per class and it is necessary for a staff member to accompany the observer(s). All observers must check-in before entering and check-out when leaving the campus with the staff in the main office.

## **Tiffany Traffic & Transportation**

### **STUDENT DROP OFF & PICK UP**

**There is no student supervision provided by school staff before or after school – please be on time. Preschool, TK, & Kindergarten students** must be supervised in the morning by an adult in the Kindergarten area from 8:30am, the 1<sup>st</sup> bell rings at 8:40am, then the teacher seats them in class at 8:45am.

**Preschool, TK, & Kindergarteners** – are dismissed by their teacher, face-to-face to an authorized adult from the Kindergarten gate, please be on time to pick up your child. If you are going to be late, please call the office and an authorized adult will need to sign the child out from the office in a timely manner.

**1<sup>st</sup> – 6<sup>th</sup> Graders**, who are driven to school, may be dropped off and picked up in the yellow curbed zone. At dismissal, if you do not see your child waiting, circle through the parking lot or park and walk to meet your child at the upper grade gate. Students should be picked up in a timely manner, if not picked up on time, students may wait outside for 10 minutes, then call home from the office.

### **PARKING LOT & TRAFFIC SAFETY**

In order to maintain an effective traffic safety program, your cooperation will be needed. Our goal is to provide safety for your children. You can help keep our students safe by observing the following regulations which have been developed in conjunction with the Chula Vista Police Department (CVPD):

- 5 mph speed limit through parking lot and 25 mph in neighborhood streets.
- Traffic & cell phone laws apply within the parking lot.
- Use the loading yellow zone in front of the school for drop off and pick up only. **Do not park or leave your car in this area.**
- One-way system through the parking lot.
- Enter beside the public park and exit beside the YMCA building on West side.
- No left turn out of parking lot onto Elmhurst Street between 8am-4pm.
- Do not park or wait in the staff parking lot.
- Please observe Safety Patrol's stop signs and directions, for the safety of students.
- Students should be accompanied by an adult or Safety Patrol across crosswalks and through the parking lot.

**CVPD patrol may issue citations at any time, so please follow the law.**

The parking lot is very busy at start and end of school, try to arrive 10-15 minutes prior, to avoid major congestion. Parking in the lot, or streets to East of the school and then walking is the best option. Resident only permit parking is enforced to West of the school, including Vassar & Elmhurst Street.

### **WALKING SAFETY**

If students are walking to and from school, they must use sidewalks, cross streets only at designated crosswalks, and obey the Safety Patrol. Before crossing, students should look both ways to be sure the way is clear and should watch for turning cars. Students should never go into the street between parked cars.

- Students should never talk to strangers. They should report any incidents to the closest Safety Patrol member, teacher, or staff member.
- Encourage your child to come home immediately after school is dismissed. Loitering students are likely to encounter unsafe situations.

## **BICYLCES/SCOOTERS**

Students should wear a helmet and bring a lock to secure their bike or scooter to the designated racks beside the YMCA building. Bikes and scooters should not be ridden on campus or parking lot.

## **BUSES FOR NEIGHBORHOOD STUDENTS**

Students living in the Tiffany area, must pre-register online every year to ride the school bus, using their 6-digit student ID number on [www.cvesd.org/parents/mychilds\\_school/transportation\\_information](http://www.cvesd.org/parents/mychilds_school/transportation_information)  
Students attending Tiffany on a Transfer are not eligible to ride the bus.

Kindergarten students are accompanied by staff to and from the bus on Elmhurst Street.

Kindergarten students must be met at their home bus stop, on time, by a parent/guardian, otherwise they will have to wait on the bus and then be returned to the school for pick up.

If there is a day where your child will not be riding the bus, send them with a note to give to their teacher, otherwise they will be loaded onto the bus as usual, staff are unable to take verbal instructions from a child.

## **DROPPING FORGOTTEN ITEMS / MESSAGES FOR STUDENTS / INTERRUPTIONS**

To maximize student learning, classroom instruction should not be interrupted. We understand there may be an occasional emergency situation, but we try to limit interruptions to instruction during the school day.

- If you need to drop off an item that your child has forgotten, you can leave the item in the office and your child can come during recess.
- We understand emergencies occur and will do our best to accommodate special requests, if given enough notice, but please be aware it is not always possible to reach the teacher late in the day, especially at dismissal time.
- Phone calls cannot be put through to classrooms during instruction time, but will be forwarded to the teacher's voicemail.

## **CONTACTING THE SCHOOL**

There may be times when parents need to contact the school. Here are some key points for facilitating communication:

- Speak with the person closest to the problem. Most of the time questions can be resolved with the classroom teacher or staff member concerned.
- If, for any reason, you do not think the problem is solved after the initial contact, try again. If you continue to have questions regarding the issue, contact the school secretary to set up an appointment with the principal.
- Remember, school secretaries and office personnel cannot change policies. Talk with the teacher or principal.

- Deal with any problems as soon as they arise; however, please do not stop the teacher during the school day to discuss an issue.

## **ATTENDANCE SCHOOL POLICY**

California State law, Education Code 48200, requires compulsory full-time attendance for children ages 6 to 18. As a parent/guardian, you are obligated to ensure your child's attendance at school, every day and on time, for the full day. Students are most successful when they are in class regularly.

**Please report any student absences daily on our 24-hour absence line at 619-421-6300 ext. 510110.** Parents are asked to notify the school by 10:00am on the day of the absence. If your child is not in school at the beginning of the day, and the office has not been notified, an attempt will be made to contact you. This procedure is for your child's protection.

Upon returning to school following an absence, students must check in at the Attendance/Health Office with a note from home giving the date and reason for the absence. There they will be given a "green apple" that they will give to their teacher upon entering the classroom. Absences must be verified by the last school day of the calendar month in which the absence occurred. For example, if your child is absent on October 15, you must verify the absence by October 31. Unverified absences are considered unexcused and cannot be changed after the end of the month.

It is extremely important that students arrive at school on time. If your child is tardy, he/she must report to the school health office for a tardy slip before going to class. If your child is late/tardy three or more times, without a valid excuse, they may be considered truant.

Students are excused for illness and medical appointments. Unexcused absences assigned for anything other than illness/medical appointments, i.e., trips or family business. Unexcused absences are considered truancy as defined by the California Education Code.

As directed by the District Office, three or more unexcused tardies/late arrivals, absences or early dismissals (without a doctor/dentist note), may be considered truanancies.

- Frequent unexcused tardies/absences will be recorded by the District Office and they will send "NOTICE OF TRUANCY" letters to parents with details of the absences, etc.
- Excessive truanancies may result in parents being advised to attend a "Student Attendance Review Team" (SART) hearing, to set up a plan of action to improve attendance.
- All student attendance contract violations are forwarded to the "Student Attendance Review Board" (SARB) at the District Office.

**Please make every attempt to schedule dental/medical appointments after school hours, or on during school breaks, where possible, to avoid any attendance problems.**

## **PERFECT ATTENDANCE / OUTSTANDING ATTENDANCE**

Students will be recognized for perfect and outstanding attendance at the end of each school year.

**100% Perfect Attendance** is defined as ZERO absences, ZERO late arrivals, and ZERO early dismissals of any kind throughout the school year.

## **STUDENT ARRIVAL / START OF SCHOOL DAY**

First bell at 8:40am, students should line up outside class. 8:45am, students should be seated in their classrooms ready to learn. Arrival after 8:45am is considered late and the student needs to check-in with the Attendance Office.

For safety, as there is no school supervision, students should not be on campus without an adult, earlier than 8:30am, unless enrolled with YMCA, or from 8:15am if; running the track or having breakfast. Parents/guardians will be contacted if any student is repeatedly arriving at school too early.

## **STUDENT DISMISSAL / MINIMUM DAY-EARLY DISMISSAL**

**PLEASE BE ON TIME TO PICK UP YOUR CHILDREN AT THE END OF THE SCHOOL DAY!!!**

There is no school supervision after dismissal unless your child is enrolled with YMCA or DASH. Please pick your child up in a timely manner for their safety. Students picked up late, will need an authorized adult to sign them out in the office. The school office does not offer childcare supervision and closes at 4pm. We understand an occasional emergency can occur, so please call the office to let us know if you are running late, however, for repeated late pickups, we will consult with the Principal.

**Every Friday** (and additional dates throughout the year, such as parent conferencing, first day back from long breaks etc), students in grades TK + K will be dismissed at 1:40pm and grades 2-6 at 1:55pm.

#### **LATE ARRIVAL/RELEASE DURING SCHOOL HOURS**

Students must present a note as evidence of a medical appointment to be admitted to or released from school for medical services. Excused tardies and/or excused early dismissals are limited to those for documented medical appointments. **Students arriving late to school or picked up before dismissal time will be deemed unexcused-truant unless a doctor's note is provided for documentation** or the student is being sent home by the school due to illness.

To ensure your child's safety, **students will be released only to parents/legal guardians or adults listed on the student's contacts list provided by parents/guardians.** Parents or their designee must sign the student out in the office and present a photo I.D. There will be **NO** phone verification from parents asking for students to be released to individuals who are not on the Emergency contacts. Please be sure to update emergency information.

#### **INDEPENDENT STUDY CONTRACTS**

If you know in advance that your child will be absent from school for any reason, including illness, you may initiate an Independent Study Contract for three or more consecutive days. To initiate an Independent Study Contract, contact the school office. Contracts must be requested a minimum of three days prior to the absence, giving specific beginning and ending dates. These dates are firm. The classroom work must be picked up from the teacher prior to leaving and returned the day the student returns from the absence. Please note that Independent Study Contracts are limited to 14 total days per student.

#### **INJURY/ILLNESS AT SCHOOL**

Only minimal first aid can be given by school staff. Parents will be called at home or work if an injury or illness occurs that requires the student to be sent home. If a parent cannot be reached, school personnel will call other persons on the student's Emergency contact list; therefore, it is important that emergency contact persons are listed and all phone numbers are kept current.

#### **MEDICATION**

Students are **NOT** allowed to bring any medication, cough drops, or over-the-counter medication to school. Prescription and over-the-counter medications can be given at school **only** if the parent **and** physician complete the school Physician's Statement form authorizing school personnel to dispense medication.

#### **EMERGENCY / DISASTER PROCEDURES**

Established procedures are in place, to handle disasters such as fire, earthquake, threats or dangerous intruders. Disaster preparedness and other drills are conducted on a routine basis and we have a dedicated School Resource Police Officer who provides support and advice.

It is important for parents, guardians, and family members to know that in a real emergency, students will be released only to individuals listed on the Student Emergency Card.

**Please contact the school office if you make any changes to your emergency contact details.**

## **Tiffany Additional Information**

#### **FIELD TRIPS**

Prior to field trips, parents or legal guardians must provide signed, written permission in order for the student to participate in instructional study/field trips, otherwise students will not be permitted to participate and will remain at school with another class. Phone permission will not be accepted.

## **STUDENT AWARDS**

The school holds quarterly awards assemblies for students who exhibit excellence in academics, citizenship, and effort. "Tiffany Terrific Kid" Tiger Paw car decals, certificates and pencils are given to students who receive these special student awards. Please no balloons at ceremonies.

## **LIBRARY BOOKS**

It is the intent of Tiffany Elementary School to allow all students the opportunity to check books out of our school library. We have many books and students are expected to take care of books so they will last for many years to come. It is the child's responsibility to take care of the books that he/she borrows from the library. If your child damages, destroys or loses a library book, you will be asked to pay for it. Replacement books are library bound editions that are purchased by the school librarian. These are more costly than books that can be purchased in stores because of the quality of the binding required for books that will be circulated for many years. The estimated cost of replacing a school library bond book is \$20 for fiction and \$25 for non-fiction. You can contact our librarian for the exact cost of the lost or damaged book. We have a dedicated Librarian, who may be contacted at ext 510179.

## **LOST AND FOUND ITEMS**

Please be sure to label all of your child's belongings. There is a designated Lost & Found cart in front of the school office between 8am-4pm. Please have your child check this regularly for missing belongings. Items of high value will be held in the school office. Items not claimed at the end of each quarter, will be donated to a local charity.

## **MEDIA RELEASE**

It is possible that photos or videotapes of students may be released to newspapers, websites, Twitter, Instagram, Tiffany Elementary School Blog or other media in connection with school activities. If you do not want your child's photos or videotapes made available to the public, with the exception of random group pictures, you may have him/her excluded by checking "No" during the annual Continuing Student Enrollment online forms. Permission includes the use of your child's image on our school website. (No names are used for website photos.)

## **ACCEPTABLE USE OF TECHNOLOGY**

Use of the district's technology is a privilege subject to school and district rules and regulations and applicable local, state, and federal laws. Both parent and student must sign an agreement stating the student will abide by the district's rules regarding the acceptable use of technology. The student is also expected to understand and follow any family restrictions against accessing certain materials. Failure to abide by the rules can result in termination of the student's access to technology and other disciplinary measures. An Internet Use Form is included in the annual Continuing Student Enrollment online forms.

## **ELECTRONIC DEVICES AND PERSONAL ITEMS**

**Cell phones may be brought to school but must be kept OFF in the student's backpack or a safe location.** Any cell phone used by a student during school hours will be confiscated and kept in the office until claimed **by a parent only**. Smartwatches should be set to "Schooltime" or messaging and notification settings should be disabled during school hours. If used during school time becomes a concern, the student will be asked to keep the watch at home. **Portable video game consoles are not allowed on campus.** These items will be confiscated and kept in the office until claimed **by a parent only**. The school is not responsible for the loss of cell phones or other electronic devices brought to school.

## **CAFETERIA**

Breakfast is served between 8:10 - 8:40 AM. It is particularly important that students participating in the breakfast program arrive on time (preferably by 8:20 AM) so they have sufficient time to eat breakfast before lining up for class.

The Chula Vista Elementary School District is now offering free lunch and breakfast to all students. Students are also welcome to bring their own lunch & snack for recess. Parents are encouraged to consider the nutrition quality and portion size of the items. Soda, large bags of chips and candy are highly discouraged.

### **SCHOOL FOOD CELEBRATIONS**

In accordance with the District's Wellness Policy, Tiffany will enforce the following:

- No food (i.e. cupcakes) birthday celebrations will be permitted. Parents are encouraged to send non-food items (stickers, classroom supplies) to honor their child's birthday. Please check in with your child's teacher first.
- No "home-made" foods may be sent to school to be shared. All food must be store-bought and labeled to prevent food allergy reactions.
- School food celebrations are limited to two (2) a year and will be communicated by the classroom teacher.
- Parents are strongly encouraged to send a healthy snack with their child to school. This snack intended for your child only, and should not be shared with other children.
- No food is allowed to be distributed to students before or after school

children. Our Tiffany PTA benefits you, your student and all students. Your \$10 donation helps our local and national PTA continue its great work. Last year, the Tiffany PTA provided excellent school events and supported academic programs. The PTA Board meets the first Tuesday of each month at 3:45 p.m.

*\*All PTA sponsored events are subject to cancellation if there are not enough volunteers. If you would like to volunteer, please contact your PTA\**
